

The Organizational Champion™ ECChO Self-Assessment

Are You a Leader or a Champion?

What You Need to Know

The Assessment

The ECChO self-assessment helps an employee gauge his/her ability to fully maximize the Organizational Champion's mindset and model. The ECChO reports on how Enlightened and Conconnected a leader is, as well as his/her ability to drive Change and pursue Opportunities that propel organizations ahead.

The Report

The ECChO self-assessment report is a detailed look at an employee's champion leadership qualities and provides actionable feedback that will help them grow as a leader. This report also allows them to see how they stack up against other champion-level leaders and understand how they are perceived by others in your organization. There are two ver-

sions of this report available. The basic report is free and will show your areas of strength and weakness according to the ECChO leadership model. The full-featured deluxe ECChO report goes into much greater detail and will identify strategies that will help you grow as a leader.
